8kg 500 Series Heat Pump Dryer

White

Heat pump technology dries at a lower temperature to look after your clothes, while no venting to outside is needed.

- With 12 dry cycles including Express 30, Delicate and Rack Dry
- Boasting an 8-star energy rating
- Shorten your drying time when in a hurry, with the advanced Speed Up option

 Sanitise dry option uses a high temperature to kill more than 99.99% of bacteria*

DIMENSIONS

Height	845 mm
Width	595 mm
Depth	677 mm

FEATURES & BENEFITS

8-Star Energy Rating

Energy-efficient drying thanks to heat pump technology. Dry at low temperatures to protect clothes from wear.

12 Dry Cycles

With a specialised dry cycle for a variety of fabrics, including a dedicated Rack Dry cycle with drying rack included.

Hybrid Boost Technology

With Hybrid Boost technology you can choose to save time by drying at a hotter temperature, or save energy with a longer dry time – as seen in the Express 30 cycle and the Eco and the Speed Up options.

Healthier Living

The high temperature Sanitise dry option ensures dust mites are removed and kills more than 99.99% of bacteria*, for clean, healthy clothes and fabrics.

Wi-Fi Compatibility

This dryer is Wi-Fi enabled, with remote access and future compatibility for smart home appliances thanks to ongoing software updates.
