

## Oven, 60cm, 10 Function, Self-cleaning

Stainless Steel

This stylish oven has even heat distribution and plenty of room, with a Rotisserie and Self-cleaning function.

- Ten oven functions including Fan Forced and Pastry Plus
- Pyrolytic Self-cleaning function breaks down food residue to make cleaning a breeze
- With both a Rotisserie and a Food Probe to measure temperature accurately

- Plan meals seamlessly, with the ability to program cooking duration, or delay cooking

### DIMENSIONS

Height	595 mm
Width	595 mm
Depth	568 mm

### FEATURES & BENEFITS

#### A Function For Every Food

Ten cooking functions including specialised Pastry Plus, for a golden pastry crust on the top and bottom.

#### Simple Cleaning

Run the Steam Clean function to soften grime inside the oven, making it simple to wipe clean. The oven door and inner glass can also be removed to make a deep clean easier.

#### Clever Accessories

Cook a Sunday roast for friends or family with the help of the clever Rotisserie, which rotates meat slowly, helping to keep your roast moist. Then, use the Food Probe to accurately check the temperature so you know exactly when it's ready.

#### Stylish Design

A refined black-glass design gives a modern finish to your kitchen, making this oven perfect for matching with a Haier induction cooktop.

#### Safety Features

Designed for safety, the outside glass of the oven door remains cool during cooking, and a non-tip shelf safety system makes pulling out hot dishes easy.

### SPECIFICATIONS

#### Accessories (included)

Food probe	•
Food probe temperature intervals	1°C
Food probe temperature range	30°C – 90°C
