FEATURES & BENEFITS

Flexible cooking with Flexi Zone

Intuitive controls

With easy-to-use touch controls choose from over nine heating settings, plus a boost function for versatile cooking and a child lock for added safety.

Hood to Hob compatibility

This cooktop features linked hood to hob capability, allowing you to pair it with a compatible Haier rangehood via Bluetooth. Once paired, the rangehood will seamlessly match the extraction rate to your cook zone power levels, so you always have the ideal extraction rate.

Cleaning is easy thanks to a cooktop that stays cool around your cookware, avoiding baked-on spills. A quick wipe after use will help to keep your cooktop looking pristine.
