

## Built-under Dishwasher, Steam

Black

Designed to fit flush with your kitchen cabinetry under your benchtop, for a modern look. This dishwasher includes a Hygiene cycle, Steam wash modifier and even more advanced wash technologies.

- Eight wash programs and four wash modifiers including Steam
- 5.5 star water rating and 4.5 star energy rating

- Wi-Fi connected for remote control and helpful alerts using the SmartHQ™ app
- Automatic door open at the end of the wash cycle, for drier dishes

### DIMENSIONS

Height	820-880 mm
Width	597 mm
Depth	574 mm

### FEATURES & BENEFITS

#### Steam Sanitise

Our Steam wash modifier can be added on any cycle to gently break down oil and grime. The Steam modifier and Hygiene wash program are both designed to sanitise your dishes, helping to kill 99.99% bacteria.\* \*Independently tested to eliminate more than 99.99% of Staphylococcus aureus and Escherichia coli using the Steam wash modifier or Hygiene wash program.

#### Advanced Drying

For effective drying, the dishwasher door automatically opens at the end of the cycle to help remove excess moisture, while an air curtain channels steam out into the room safely, protecting cabinetry. Add the +Dry modifier on any cycle for an enhanced dry, ideal for plastics.

#### Auto Wash Sensing

The Auto Wash program uses sensors to detect how dirty your dishes are and set the ideal wash, reducing unnecessary water and energy use for a more efficient clean.

#### Flexible Loading

Generous capacity with a height-adjustable middle basket to make room for tall dishes in the lower basket, this model also features a full-width cutlery tray, wine glass stemware supports and foldable cup racks and tines.

#### Smart Control

With Wi-Fi connectivity you can control your dishwasher through smart home speakers or your SmartHQ™ app. Select and start a cycle remotely, get an alert when the cycle is done, and more.

#### Additional Leak Protection

Aquastop technology adds an extra layer of protection for your peace of mind by detecting leaks within the hose, automatically shutting down the water valve.
