FEATURES & BENEFITS

Flexibility For Every Room

With its compact yet spacious design, this beverage centre easily fits into every room, from the kitchen to the home bar. Ideal for any home, it offers a stylish and convenient solution for storing a range of drinks, from sodas and juices to craft beers and fine wines.

Customisable Temperature Control

Personalise your storage with our in-cabinet control. Achieve the perfect chill for your drinks with a temperature range of 2-12°C, adjusting by 1°C at a time, so you can create the ideal environment for different types of drinks.

Super Cool Setting

Ideal for entertaining, the Super Cool setting is designed for rapid beverage cooling. Perfect for any occasion, from summer barbecues to cosy indoor gatherings, it lets you quickly cool drinks to the ideal serving temperature.

Versatile Storage

Store a variety of beverages in this spacious yet compact 87L capacity fridge. Featuring durable glass shelving, a convenient top wine rack, and a sturdy bottle guard for the bottom shelf, you have flexible storage at your convenience.

Anti-Uv Glass Door

Protect your drinks from harmful UV rays with our anti-UV, triple-glazed glass door. Enjoy peace of mind, knowing that your cans and bottles are protected, preserving their flavours and characteristics.

Stylish Display

Enhance your space with the sleek black glass exterior and recessed handles of this beverage centre. Illuminate your drinks with LED lighting, making it easy to find your favourite beverages.
